

Press Release

Avaada Foundation to contribute Medical Equipments in Uttarakhand

- *Avaada Foundation to contribute oxygen concentrators and ventilators in Uttarakhand*
- *Avaada Foundation has distributed Ration in remote areas of Dehradun, Haridwar & Rishikesh to 1000 families and planning to distribute more ration to 1000 families.*

02 June 2021, Mumbai: Even though the COVID 19 wave has subsided for now and the cases are reducing, we must be cautious and well prepared for the 3rd wave which is going to impact the younger generation and according to Health experts, can arise at any time. Taking cognizance of ground reality Avaada Foundation is tirelessly working to provide **medical equipment, including ventilators (CiPAP), oxygen concentrators, and food items in Uttarakhand**. Avaada Foundation has distributed Ration in remote areas of Dehradun, Haridwar & Rishikesh to 1,000 families and will distribute 1000 more packets.

Avaada Foundation, the philanthropic arm of Avaada Group of companies, is engaged in social welfare activities - with a significant focus on child education, medical facilities in rural areas, skill development, women empowerment, and so on. Avaada Foundation firmly believes in the Indian philosophy, which says, **“Every human being is indebted to his parents who raise him. He is obliged to his community and culture. He is obliged to the Gods and Sages. And he is obliged to nature at large, and our goal in life is to repay this debt in a lifetime. With all good KARMA - we can repay all our debts and get Nirvana!”**. In trying times like these, our purpose and values matter a lot to the people and communities we serve, and we must consider fortunate to be able to serve them selflessly.

On this development, **Mr. Vineet Mittal** – Chairman, Avaada Group, said, “This is one of the most challenging periods in the history of India. At this moment, what matters most is sharing the responsibility of fight against coronavirus in every way possible. We focus our efforts on providing medical support in rural areas and helping them with oxygen concentrators & ventilators. Being a socially responsible company, we pledge to protect and empower our hospitals and front line warriors which can treat the patients more efficiently”

Apart from the medical equipment supplies, Avaada Foundation setting up **4 Hospitals with 300 beds** along with **three oxygen plants** and distributing Ventilator, Oxygen Cylinders, and Oxygen Concentrators at different locations in Rajasthan & Maharashtra. We are helping the **'Primary Health Centre' (PHC)** of Talsana village at Surendranagar District of **Gujarat** to establish **COVID Care Centre**. We are renovating the health center and converting it to an Isolation Ward with modern facilities, including beds, Saline Stands, Medicine Trays, etc. The organization is distributing food packets at Maharashtra, Gujarat, Rajasthan, Uttar Pradesh & Uttarakhand.
