### **Avaada Foundation Transforms Villages in Butibori: Inaugurates State-of-the-Art Community Development Center in Tarsi**

*Revolutionizing Education with 'Panini Methodology': A Major Initiative for the Holistic Development of Women and Children.*

**Nagpur, Maharashtra | March 14, 2026:** Avaada Foundation has been working dedicatedly for years toward the upliftment of the underprivileged villages of Tarsi, Dudha, and Dhavalpeth in the Butibori industrial area of Nagpur. In a significant milestone, a newly set up '**Avaada Community Development Center**' was formally inaugurated in Tarsi village by **MLA of Hingna, Maharashtra, Dattatraya Meghe ji** in the presence of **Mr. Jay Shukla, Director of Avaada Foundation**, amidst a vibrant cultural program.

#### **Skill Development and Educational Services**

The center in Tarsi has emerged as a hub for inclusive growth. Under one roof, rural women are receiving advanced tailoring and vocational training to become self-reliant.

Additionally, regular free tuition classes are being conducted by trained teachers for students from Classes 1 to 10 to strengthen their academic foundation. To prepare children for future challenges, modern computer education is also being provided free of cost.

During the event, **MLA Mr. Dattatraya Meghe** also unveiled an advanced Smart Board at the government school in Dudha village.

Addressing the gathering, **Shri Sameer Dattatraya Meghe**, said, "There are many industrial units in this region that generate profits through their operations. However, the uniqueness of the Avaada Group lies in the fact that even before reaching full commercial profitability, they have demonstrated immense dedication toward the upliftment of the villagers in Dudha, Tarsi, and Dhavalpeth. For this, I thank them from the bottom of my heart. I believe that it is the responsibility of any organization to improve the living standards of the people in the area where they conduct business. Your Chairman, Mr. Vineet Mittal, understands this social responsibility very well, and I express my gratitude to the Foundation and the company for the same. "

**Avaada Foundation Director Mrs Ritu Patwari** sent her message on the occasion: "At Avaada Foundation, we believe that true progress begins at the roots. By integrating the ancient wisdom of the Panini methodology with modern digital tools like smart boards, we are bridging the gap between tradition and technology. Our mission is to empower the

women and children of Tarsi, Dudha, and Dhavalpeth, ensuring that every individual has the opportunity to lead a life of dignity and self-reliance."

Avaada Foundation has not only renovated and refurbished two local government schools, transforming them into model schools, but has also brought a paradigm shift in the quality of education. Special teachers appointed by the Foundation are teaching through the 'Panini Methodology,' allowing students to connect with their linguistic roots and the scientific nature of language.

The efforts of the Avaada Foundation have sparked immense enthusiasm among the residents of Tarsi, Dudha, and Dhavalpeth, bringing smiles and the hope of a brighter future to the faces of women and children.

Mr. Mridul Gehlot, senior manager Avaada group, Mr. Sankalp Dubey and many other dignitaries, villagers, students were present at the occasion.

### **About Avaada Foundation**

Avaada Foundation, the social impact arm of Avaada Group, is dedicated to fostering equitable and sustainable development across India. Guided by its flagship focus on Triple E & H-Education, Employment, Environment and Health; the Foundation works to uplift underserved communities through targeted grassroots interventions. With a strong pan-India presence, Avaada Foundation has enabled over 300,000 students to access improved educational opportunities, empowered 20,000+ women through skill building and livelihood programs and facilitated healthcare for more than 200,000 individuals and nurtured over 114,315 saplings to promote environmental sustainability. It has also engaged more than 100,000 youth and community members in awareness and capacity-building efforts. Grounded in the belief that small actions can lead to systemic change, Avaada Foundation continues to catalyze inclusive growth, strengthen community resilience and advance its commitment to building a healthier, more equitable society.
